Subject re Chickballapur

Requesting sanction for the temporary entertainment of certain clerical and Reserve Police required for the Chickballapur Sub-Division Police at a monthly cost of Rs/215 or 2

The 2 Gr Ps proposals seem all right and may be sanctioned. The office of Asst Supdt of Police Chickballapur being temporary, the Establishment for it will also of course be temporary. The enquiry mentioned in the 2nd para of the letter from the Dy Commr of Kolar is about the character of a Munsiff on 30 or 20 Rs (not 25) from the Dist Govt Police office to the Sub Divisional Police office - I will call for any report that may be necessary to enable me to share my opinion with you. This should have come through the Mysore Commr. Perhaps he has.

The office of Asst Supdt of Police Chickballapur should be temporary. SIR,

With reference to Government Proceedings No P.G. 703-5 dated the 21st December 1898, constituting the Chickballapur Sub Division into a separate charge for Police and Plague administration, and placing Mr C. Narayana Rao, acting Extra Assistant Commissioner in charge of the same, I have the honor to forward herewith, copies of the marginally noted correspondence ending with docket No 225 of the 12th instant from the Deputy Commissioner, Kolar District, in re, the Police Executive

Executive and Clerical establishment required for the office of Mr Narayana Rao

2. As stated by the Deputy Commissioner, the existing clerical and executive Staff of the District Police office at Kolar, does not admit of any transfer being made to the Chickballapur Sub Division Police without some inconvenience, for duty but in view of the facts that offices in all the Districts are equally undermanned, and that the services of a number of the Reserve Police men are availed of for office work at Kolar, either the Deputy Munshi on Rs 30/- or the 3rd Munshi on Rs 25/- may be transferred. The charge though temporarily constituted, should be self contained as long as it lasts. I would therefore recommend that the following Scale of establishment, both Clerical and Reserve

20 or 15-2

Police

Police, may be temporarily sanctioned for the Sub Division Police, as early as possible: —

	Pay	Cost per mensem
Prosecuting Inspector	Rs 50 + 15	— 65
Munshi	Rs 30	— 30 } one of these to be
Deputy Munshi	Rs 20	— 20 } obtained by transfer from Kolar.
3rd Munshi	Rs 15	— 15
		130

Executive Staff or Reserve Police

2 Duffedars 2d grade on Rs 14/- each — 28
12 Constables (3 first class on Rs 8/- 9 second class on Rs 7/- each 3) — 87.
115

Grand Total Rs 245

3. The establishment recommended is estimated to cost Rs 215 or 225 per mensem, and does not exceed the present staff of the French Rocks Sub Division Police office. The Deputy Commissioner is unable to spare any Reserve Police from Kolar, and 2 Duffedars and 12 Constables are absolutely required for furnishing orderlies to the Police Assistant Superintendent, and his office and for emergent Police work of the Sub Division. The entertainment of the Prosecuting

Prosecuting Inspector on Rs 50+15, is recommended in place of the Head Quarter Inspector of the District Police, office, as his services would be very necessary for the management of the Sub Division Police office, during the absence of the Police Assistant Superintendent who has plague work to do in addition, and for conducting the prosecution of criminal cases before the magistrates of the Sub Division at Chickballapur. The question of appointing Prosecuting Inspectors at Head Quarters of Sub Divisions is under consideration and it is desirable to have one at Chickballapur, for the present at least

4 I beg further to State for the information of Government that I have already requested the Deputy Commissioner, Kolar District, to direct Mr Narayana Rao to place himself under the immediate

immediate orders of the Sub Division officer of Chickballapur and Submit his diaries through him, and the Deputy Commissioner. as is the case at French Rocks

5. The usual statement of the cost of clothing and equipment for the executive Staff of the Reserve Police is also enclosed for Sanction of Government

the above, has the honor to state that the inadequacy of the present staff, which was sanctioned so far back as 1880, to satisfactorily Cope with the great increase of work, both statistics and correspondence, was brought to the notice of the Inspector General in this office docket no: 380 dated 4-6-98, and an increase to the present strength recommended. Though the formation of the Sub Division Police into a separate charge may afford a small measure of relief to the at-present over worked-staff, it is in the undersigned's opinion, by no means an adequate reason to reduce the number of

of hands by the transfer of their Deputy Munshi to supply the requirements of the new Sub Division office.

2. With regard to the executive staff, Of the 4 Duffedars and 21 Constables, 2 Duffedars are orderlies of the Deputy Commissioner and the Superintendent of Police respectively, 1 is the Drill Instructor and the 4 with 3 Constables is doing clerical (Kamarese) work in the office for years past. Of the remaining 18 Constables, 2 are orderlies in the Inspector General's office and 12 are detailed as orderlies to the several magistrates and Police Officers

at

at District Head quarters. There are therefore only 4 Constables left to guard the Police Office and attend to urgent Calls. An increase to this strength also has been urged, vide, this office no: 86 dated 3-9-98.

2. As stated by the Deputy Commissioner, the existing clerical and executive staff of the District Police Office at Kolar, does not admit of any transfer being made to the Chikballapur Sub-Division Police without some inconvenience for duty, but in view of the facts that offices in all the districts are equally under-manned and that the services of a number of the Reserve Police men are availed of for office work at Kolar, either the deputy munshi on Rs. 30 or the 3rd munshi on Rs. 25 may be transferred. The charge, though temporarily constituted, should be self contained as long as it lasts. I would, therefore, recommend that the following scale of establishment, both clerical and Reserve Police, may be temporarily sanctioned for the Sub-Division Police, as early as possible :—

With reference to the above, has the honor to state that the inadequacy of the present staff, which was sanctioned so far back as 1880, to satisfactorily cope with the great increase of work, both statistics and correspondence, was brought to the notice of the Inspector General in this office docket No. 380, dated 4th June 1898, and an increase to the present strength recommended. Though the formation of the Sub-Division Police into a separate charge may afford a small measure of relief to the at present over-worked staff, it is in the undersigned's opinion, by no means an adequate reason to *reduce* the number of hands by the transfer of the deputy munshi to supply the requirements of the new Sub-Division office.

2. With regard to the executive staff: of the four dafadars and 21 constables, two dafadars are orderlies of the Deputy Commissioner and the Superintendent of Police, respectively, one is the Drill Instructor and the 4th with three constables is doing clerical (Kanarese) work in the office for years past.
